

Enabling Good Lives personalised funding

With Enabling Good Lives your disability support funding from the Ministries of Education, Health and Social Development is brought together into a personal budget.

- ◆ You have choice and control over what you do with your funding. This includes what you want to purchase, when you want to purchase it and the people you want to support you.
- ◆ Your personal budget can be used to support your dreams and goals so that you can live life your way.
- ◆ You can choose to manage your personal budget in a number of ways, including employing your support staff if you wish.
