Community Leadership

Enabling Good Lives Community Hui

Facilitated by SAMS and TAMA

BACKGROUND

Whaikaha (the Ministry for Disabled People) is providing funding to:

- develop leadership skills
- resources
- and capability

informed by the Enabling Good Lives approach and principles.

SAMS has been selected to facilitate this process.

SAMS recognises communities have been driving for EGL change.

We believe in disabled people's and whānau rights to mana, self-determination, and to have a 'voice'.

Our hui are aimed at assisting disability community-led leadership, informed by the Enabling Good Lives approach and principles, to ensure disabled people and families have greater choice and control over their lives.
